TASHA'S STICKY SMILE

Bouncy blonde boob-queen **Tasha Reign** is about to pass on something very contagious to unknowing sexual partner Chris: her smile. Next to getting naked and spreading your tight wet twat two inches from a dude's face, grinning is also a pretty universal way of saying "Fuck me like you're trying to break a jackhammer." A well-crafted smirk can bust a language barrier and a nut. Whether he's a visiting foreigner or just another failure of the public school system is not the point, Chris's scant grasp on English won't keep him from sharing a deep and meaningful conversation of grunts and squeals with sexy Tasha. And all it takes to put a huge grin on Tasha Reign's pretty puss is to jam his man hammer deep inside her. It takes more muscles to frown than to smile, but there's not a single muscle in her body that doesn't release waves of ecstasy and pleasure when horny Tasha reaches orgasm.

Mindy McCready

BASEBALL MISTRESS

THE AFFAIR THAT ROCKED BASEBALL
THE RAW SEX THAT STARTED IT ALL!
THE FILTHY FUCK PIX YOU WON'T FORGET!

30992

By ROB PEREZ

IMAGES COURTESY OF VIVID ENTERTAINMENT

When the "World Leader In Celeb Sex Tapes," VIVID CELEB, released Country music singer and *VH1* reality star Mindy McCready's infamous sex tape, they did so on the heels of protracted legal wrangling. Nearly one month prior to the release of ***Mindy McCready: Baseball Mistress***, the tape had been placed on temporary hold following a statement released by McCready's attorney, Adam Dread.

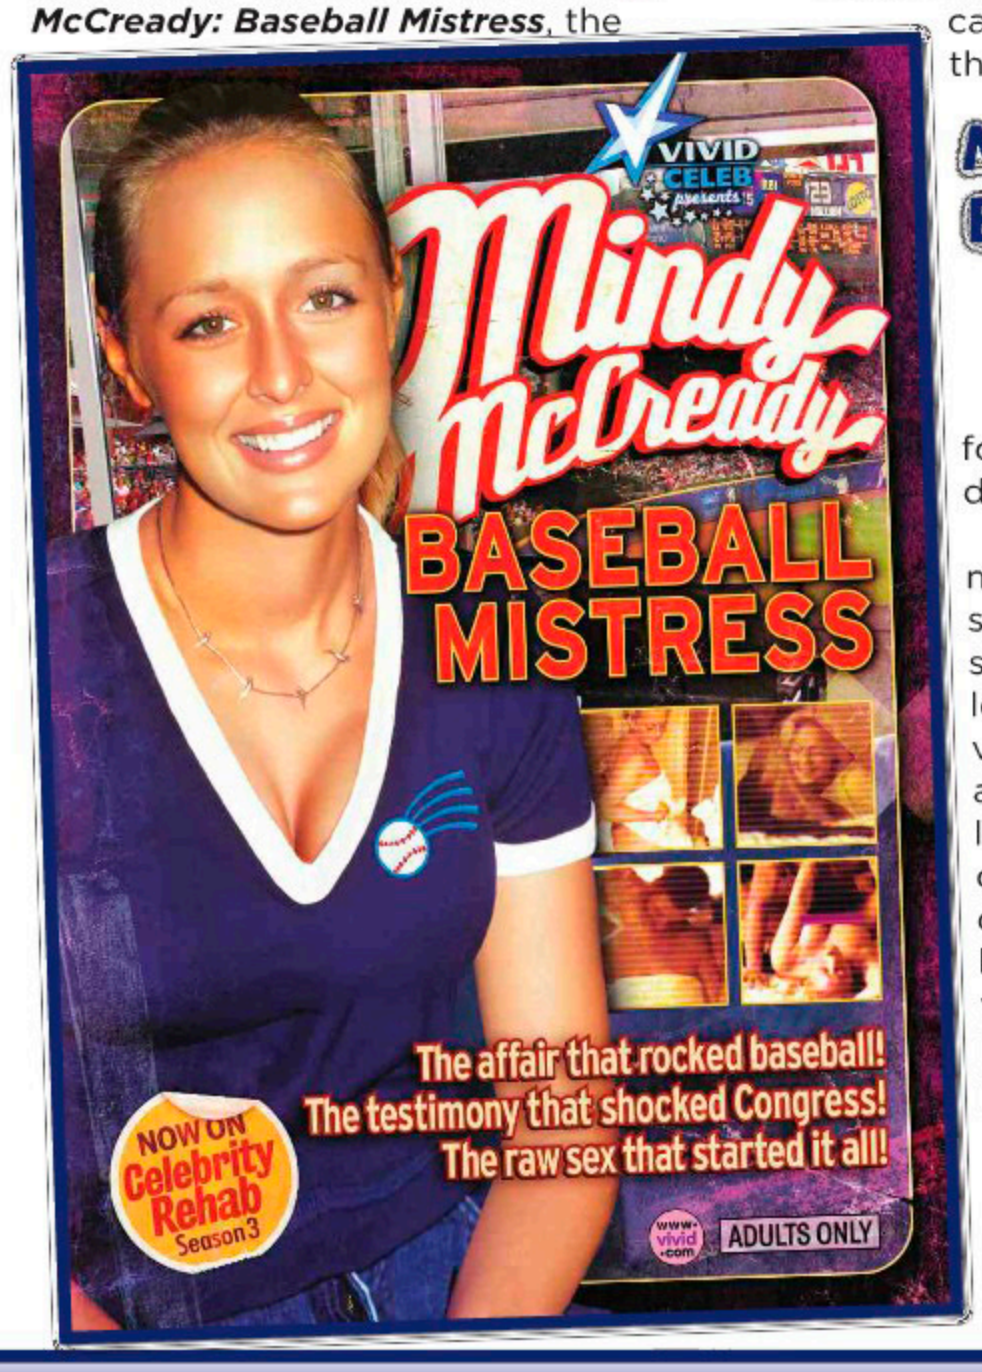
"We are not aware of the production or release of the alleged film that seems to have surfaced via various media reports. However, we can confirm that any illegally obtained property, and/or fabricated footage, and the release thereof, will be dealt with swiftly following proper legal procedure."

Vivid founder and co-chairman Steven Hirsch remained stalwart in his belief that the studio had, in fact, all necessary legal clearances to distribute the video, but decided to reevaluate. "We've decided to take a little extra time to study all of our documentation and other clearances before we proceed," he said. "I want a chance to review the correspondence from Mindy's attorney, and to prepare a proper response to the letter he has sent us."

Prior to her lawyer's letter, Mindy told news sources that she had no idea who could have leaked the tape. "I woke up one morning and turned on the computer and it was all over the place, so that's exactly how I found out." Mindy told *Fox News*, "I have a child and he will grow up and Google one day. So I definitely don't want that kind of stuff on the Internet."

Sexy Mindy McCready first burst on the Country Music scene during the mid-'90s, a sweet young thing right out of Nashville. Her debut album, 1996's *Ten Thousand Angels*, was released on BNA Records and was certified double Multi-Platinum, while 1997's *If I Don't Stay the Night* was certified Gold.

Although followup efforts left much to be desired in terms of sales, that didn't keep Mindy's name out of the newspapers and tabloids. Legal troubles would haunt her. In August 2004, she was arrested in Tennessee for using a fake prescription to buy the painkiller OxyContin, for which she pleaded guilty. In May 2005, she was stopped by Nashville police and charged with driving under the influence and driving with a suspended license. Although she was found not guilty of the DUI charge, she was found guilty of driving with a suspended license. The following July, in Arizona, she was charged with identity theft, unlawful



MINDY ISN'T SHY ABOUT SHOWING OFF HER BODY EITHER, SHE ANXIOUSLY EXPOSES HER TITS AND ASS TO THE CAMERA BEFORE HEADING OFF INTO THE SHOWER.

use of transportation, unlawful imprisonment, and hindering prosecution.

More troubles followed, including an arrest in Ft. Myers, Florida in July of 2007, in which she was charged with battery and resisting arrest after an alleged dustup with her mother.

Then, in April 2008, the *New York Daily News* reported on an alleged long-term relationship between McCready and baseball legend Roger Clemens that began when she was a teenager. Clemens' attorney Rusty Hardin denied the affair although he admitted that McCready was a "close family friend." Hardin also stated that McCready had traveled on Clemens' personal jet and that Clemens' wife Debra was aware of the relationship. During an interview with *Inside Edition*, Mindy described her relationship with Clemens as sexual, but was careful to point out that their relationship had turned sexual only after she had become an adult.

MINDY ALSO INSISTS THAT DEAN [CAIN] WAS A MUCH BETTER LOVER THAN ROGER, BUT THAT ROGER COULD BE GOOD WHEN HE COULD ELEVATE HIS FASTBALL.

In addition to her many legal troubles, Mindy has also reportedly had her fair share of celebrity lovers, as well bedding the occasional Average Joe. In 1997 she became engaged to actor Dean Cain, but the couple broke up the following year. She's spoken of an alleged sexual relationship with Country crooner Alan Jackson, but that remains unproven. McCready also dated former NHL defenseman Drake Berehowsky.

In May 2005, Mindy's ex-boyfriend, Billy McKnight, was arrested and charged with attempted murder after beating and choking her. After reporting to *People* magazine that she had cut ties with her abuser, Mindy was found unconscious the following July, in a hotel lobby in Florida after allegedly attempting suicide. She was reportedly hospitalized for a drug overdose after washing down a large amount of undisclosed drugs with alcohol. That September, when she was pregnant with McKnight's child, she attempted suicide again by overdosing on antidepressants.

Then again, on December 17, 2008, paramedics were called to Mindy's Nashville home after still another apparent suicide attempt. Emergency responders transported McCready to a nearby hospital after finding wounds on her wrists.

Wishing only to turn her life around, Mindy appeared in the third season of *Celebrity Rehab with Dr. Drew*, which depicted her struggle with substance addiction. The drugs she was addicted to were OxyContin and alcohol. At the show's conclusion, Dr. Drew Pinsky called her "an angel."

Which brings us full-circle, to *Mindy McCready: Baseball Mistress*.

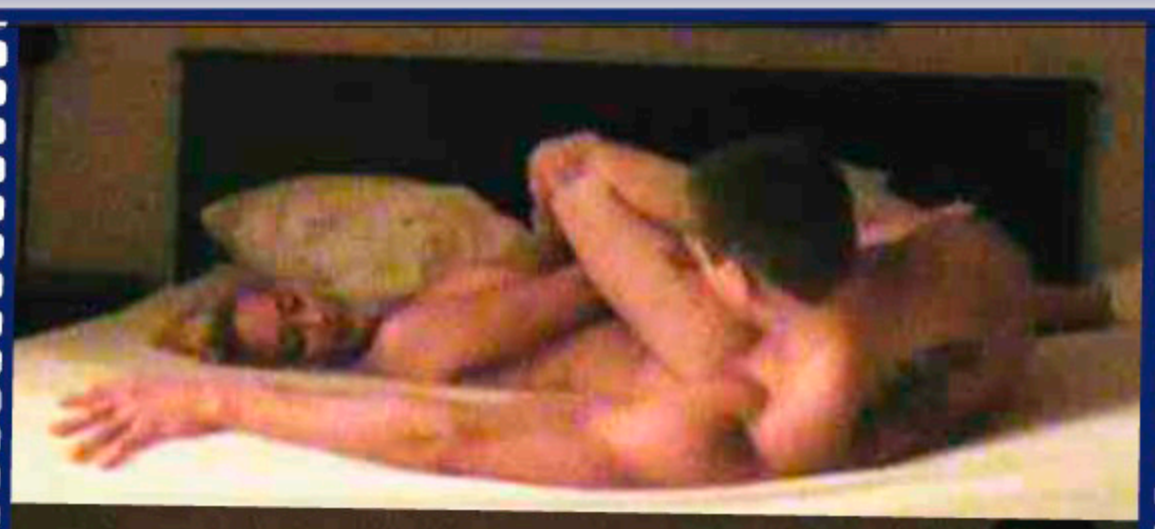
Well, yes, it's been featured on the Internet and has sold a shitload of DVDs and downloads, and we think it's among the best celebrity sex tapes out there. Not only can this curvaceous Country cutie sing, but she can also fuck, in addition to spilling the beans on her past lovers during interview portions of the sex tape. Remarkably, Mindy boasts that she likes to have sex five times a day, has cheated on her past flings, and that she once spent quality time with the Prince of Saudi Arabia.

Mindy also insists that Dean [Cain] was a much better lover than Roger, but that Roger could be good when he could elevate his fastball. She claims that she attempted to once join the Mile High Club, but was simply just too tall of a girl at 5'9". There's more: That while she never slept with him, she could have bedded John F. Kennedy Jr., whom she had met at a Yankee game during one of Roger's mound appearances. Mindy goes on to say that the two exchanged numbers and talked on the phone a few times, then nothing.

All of this takes place during the opening scene of ***Mindy McCready: Baseball Mistress*** and shows the Country star being interviewed inside a popular restaurant. ***Baseball Mistress*** moves forward to some dingy motel room where McCready applies some makeup and then continues the interview on a couch, before being joined by her ex-partner, Peter, with whom she soon engages in a myriad of wild sex acts. Mindy isn't shy about showing off her body either, she anxiously exposes her tits and ass to the camera before heading off into the shower. Once out of the shower, she's ready for action, going down and performing oral sex with her costar, before he gets on top of her and starts in on his intense Spring Training workout. The sex scene is rather short, but there is a lot of heat that's generated in that small motel room, so much so that Mindy is soon out of breath. If your idea of a great time is a wild celebrity fuck with a sexy Country songbird, Mindy McCready is your type of gal.

Mindy McCready: Baseball Mistress will no doubt appeal to fans of the celebrity porn market, in addition to Country and Western fans of hers who always wondered what it would be like to spend some time with their "favorite songstress" in the sack.

FOR MORE INFORMATION PLEASE VISIT *VIVID.COM*.



REMARKABLY, MINDY BOASTS THAT SHE LIKES TO HAVE SEX FIVE TIMES A DAY, HAS CHEATED ON HER PAST FLINGS, AND THAT SHE ONCE SPENT QUALITY TIME WITH THE PRINCE OF SAUDI ARABIA.

Nina's a slave to her own pussy. She's fixated on that precious puss, constantly diddling and rubbing her nub, or meticulously shaving it bald. Of course, her hard work hasn't gone unnoticed—we can't take our eyes off her prize! "I make sure my vagina always looks and feels perfect," explains our obsessed, undressed damsel. "You never know when someone's gonna wanna look at it—or fuck it." Right you are, Nina—it's always good to be prepared!

HIGH SOCIETY PRESENTS
ON THE SET OF...

STRAIGHT Double D's

PRIYA RAI

DELTA WHITE

DIAMOND KITTY

SOPHIA LOMELI

DEVON LEE

29502

STARRING: PRIYA RAI, DELTA WHITE, DIAMOND KITTY, SOPHIA LOMELI AND DEVON LEE WITH MARCOS BANDERAS, ANTHONY ROSANO, BILL BAILEY, TONY DE SERGIO AND ROCCO REED **DIRECTOR:** MARC TWAIN **STUDIO:** BLUEBIRD FILMS

A study from the Department of Scholastic Intermediary Studies "concluded definitively that students devote 96 percent of their thought process to big fuckin' tits." Upon the release of these findings, director Marc Twain contacted the management team at Bluebird Films who spared no expense as they hustled to scout some of the biggest-boobed teachers and students at the local schools.

Never mind that the subject of this study most likely consisted of looking into one man's brain—that of Twain. What can't be disputed is that the guy was able to arrange funding to put a bunch of big-tittied lookers in front of the classroom and in front of the cameras. The guy deserves a lot of credit and it's a smart investment of money and resources.

There are five very busty beauties who seem more than happy to teach us lessons from the home room: **Priya Rai, Delta White, Diamond Kitty, Sophia Lomeli,** and **Devon Lee** are the whopper-chested dames of *Straight Double D's*. Any questions? Just one: Can we please have homework?

Things get kicked off by **Priya**, who kicks off her clothes in no time flat, revealing her huge falsies and a mouth eager to suck on some hard cock. Men throughout the school district cleared their calendars as well as their desk upon hearing about her sexploits, and seeing her spread her roast beef, so beautifully

Whopper with Dick Cheese: Priya piles on the roast beef. Parent-Teacher meetings will never be the same.

With her huge falsies flapping and a jizz cleanup needed in Room 101, teacher Priya Rai scores another "A".

semester, but Delta is that irresistible payoff that one will sacrifice a career for, but her discretion defies her years and he has nothing to worry about. That's certainly clear as she lets him slide his arms under her legs to pull them tightly back as she rides him reverse cowgirl, a real show of trust on the part of this D-cupped coed. It's that kind of enthusiasm that will get the teacher writing her A+ in the book with his own jizz.

Diamond is one of those students whom everyone likes for her cheery attitude (and her cheers on the squad) and unassuming nature. She seems flighty, but she always receives high marks, even if she's not all there in class. Just don't try cheating off her test, because this innocent-looking girl isn't staying up late studying, she's staying after class sucking and every teacher in the state wants to have her at the head of their class.

While most of the guys she went to school with were still busy jerking off into their milk cartons, Diamond was perfecting the art of getting her kitty to purr. Through countless hours of research in classrooms, laboratories, school darkrooms and plenty of home visits, she has learned everything she needs to get the degree that will take her through life. Here with Prof. Banderas

Delta displays her hands-on talent, riding another mentor to a jolting reverse cowgirl combustion.

toasted around the edges, it's obvious why. Parent-teacher meetings will never be the same again.

With big fuckin' titties flopping in your face and her pussy pulsing as she cums violently on your cock, grades can change in an instant and permanent records can be cleaned, just the way she'll lick a dick clean of her juices between positions, feasting on the taste of her own snatch and breathing its sweetness into a man's mouth as she mounts his cock and rides until his every drop of semen has been grunted out of his body.

Delta lightens things up with her platinum blonde hair and she uses those ducky, cock-sucking lips that are so hard to find on a girl for their creator-given task, wrapping them around a shaft as it thickens and expands until we wonder if maybe her pretty lips are going to get stretched out of whack. It's not until they get on the floor and she spreads her legs that some lips really get pushed to the limit.

The way she slithers around the floor you know she's going to get an A, even if she won't give up the Ass, not this time out anyway. With pussy like this no man could complain. God knows this professor scores a little tail here and there throughout the

Hot For Teacher: This coed cutie cherishes her cum-soaked facial.

she is confident, massaging his dick into her mouth as he fumbles over her footballs and then makes his the most envied office chair on the planet. Her pussy is completely shaved—she won't let a thing like pussy hair get in her way, she once told a girlfriend in the lunchroom—and as she bounces up and down on his dick in the chair she pulls a bubbly ass cheek away to reveal something she's saving for grad school: that unmolested onion ring that unsophisticated types will call her asshole. The bell hasn't rung on that opportunity.

With the constant tossing around of ridiculous ideas for education reform that we're hearing during this election year, there is a solution so obvious, so simple, so foolproof that no politician could ever endorse it: Bring in the hot chicks.

Just think how much more you would know today if your teachers had looked like **Sophia**. One can't even imagine the genius that could be attained if some well-meaning teachers were willing to give it their all, and by all we mean taking class members into the clam. It's for the greater good.

Miss Sophia has dark hair and eyes, a shaved cooch with lips tanned at the edges like a light-leathered baseball glove at the seams. A former at-risk student, she really understands how to get the most out of her classroom. Rather than a shiny apple on the desk, she shines the desk with her bare bottom and uses a combination of cunt juice and guys' semen to give it a special glow. In this encounter we see her bend over the desk to take young cock and it's more interesting than some old bag up there with a pointer stick giving us the blah-blah-blah. No one can look away, not even Sophia, when her sweet front door is getting boinked by another boy who will blow his load on her soft skin as he tries to make the grade. Fortunately she's really good at letting them make up assignments; that takes some of the pressure off.

Miss Sophia believes "the play's the thing." Here she teaches *The Importance of Being Ernest*. That's Ernest, fucking her!

Twain closes out by bringing in a ringer, **Devon**. As a student she blew half the student body and tried to meet the pussies of the other half. Now she's giving back as a teacher, sharing her vast knowledge the only way she knows how: with her fantastic, elastic gash.

The way she slides her tongue along the bottom of a guy's hard-on lets you know she's done it before and by the time she's getting boffed on the work table by unknowing pairs of students, she is a pro in action, so able to elicit the best from her students even if they never show up for class. Hell, this guy may not actually even be in her class, but with the dampness of a school marm's dream, she doesn't let that stop her and she takes the young stud with commitment and professionalism all the way to the finish line, where the student collapses into his teacher's arms and she strokes his hair. That was fine, she thinks, just fine. Next time will be even better. The teacher knows how to spot true talent.

TURBO LOVER

Fast girls love fast cars, and **Anissa's** no exception. This giant-jugged salsa slut loves driving a stick hard and fast, checking out the handling while writhing around in the leather. She also likes taking down the top, opening up the hood, and watching those pistons fire full-throttle. It makes her hot—so hot in fact that her pussy gets moist and tingly, her pulse races, her breathe gets shorter, and her big tits start heaving. Now Anissa's ready to fuck!

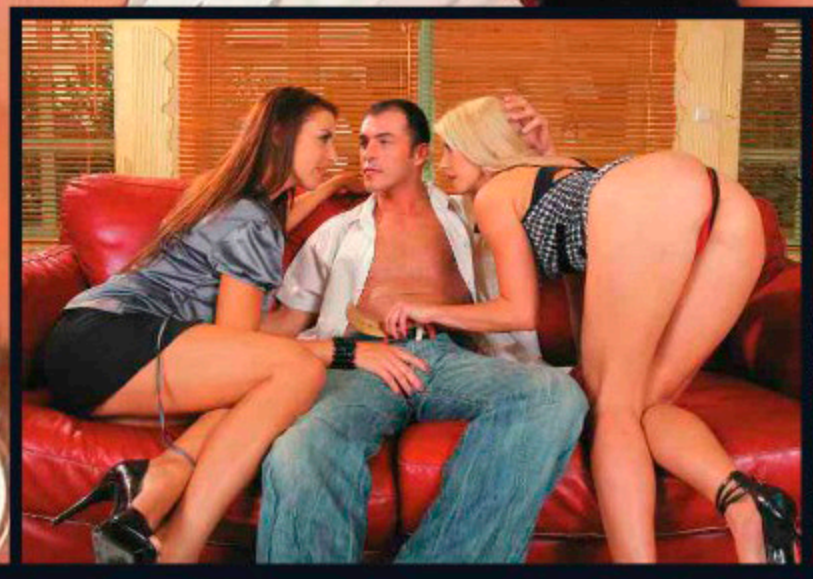
DIRTY SLEAZE FROM ACROSS THE SEAS!

RIDING DIRTY



DIRTY SLEAZE FROM ACROSS THE SEAS!

Work was hectic—I needed to hire an assistant. And since a secretary is the "face" of your business, I needed to see how each applicant looked on the business end of a coat of ball grease. **Linda** showed first. The blonde hottie pulled my clothes off and gave me a deep, invigorating suckjob, cupping my balls in her hand, drawing the jizz up my shaft. She straddled me, sliding down every aching inch of me. **Maria** arrived next. She spread her thick rump and began thumping it against my face. I clutched her hips and shoved my tongue inside her puckered pink butthole. My balls tightened and I watched my steamy chowder slide down their lips. With so many interviews left, I was going to need to hire an assistant in order to hire an assistant. And probably an assistant for her, too.

LEXI SWALLOW

THE HIGH SOCIETY INTERVIEW

PORN VALLEY, CA—LEXI SWALLOW, THE GIRL WITH ONE OF THE COOLEST STAGE NAMES EVER, IS MORE THAN JUST EYE CANDY. LEXI HOLDS A DEGREE IN ENGINEERING TO PROVE SHE'S GOT BRAINS. LEXI'S ALSO GOT A COUPLE OF OTHER B'S: BEAUTY, BUST, BODY, AND BUTT. IN THE SHORT TIME SHE'S BEEN GETTING OUR BALLS REACHING THEIR MAXIMUM LIMIT IN JIZZ, LEXI HAS BECOME ONE OF PORN'S GO-TO PARODY GIRLS, PLUS THAT AMAZING BODY OF HERS HAS MADE HER HUGELY POPULAR IN THE OFF-THE-WALL GONZO MARKET. SWEET, SMART, AND SEXY, LEXI SWALLOW IS ONE OF THE MOST ENERGETIC, EXCITING PERFORMERS TO WATCH, AND A GIRL WHO PROVIDES US AT *HIGH SOCIETY* WITH LOTS OF WONDERFUL MASTURBATORY MOMENTS.

HIGH SOCIETY: *How did you come up with your stage name?*
LEXI SWALLOW: I owe my last name to one of my friends, who dubbed me with it. Lexi comes from my middle name. I love giving head so "swallow" works perfectly.

HS: *Many of your fans probably don't know that you have a degree in engineering. Were you a geek in school?*
LS: Yes, I was somewhat of a geek in high school. I was very lucky that math and science came easy to me and I enjoyed it. I don't think I was so much geeky, but more of just a good student. Once college rolled around, it was all about balancing work, school, and partying. I still made it through, though.

HS: *As a geek or nerd in school, did guys still pay attention to you?*
LS: They definitely didn't pay as much attention, especially because I was also somewhat of a tomboy. In college though, I was one of about 10 girls, so I started to get more attention, but geeks aren't the most social, and I think I intimidated them a bit. I had a great group of guy friends that I hung out with, we're still friends to this day.

HS: *I'm sure your looks intimidated a lot of guys. Do your brains intimidate guys who want to approach you, as well?*
LS: I think brains intimidate more than looks. It's a lot easier to talk to a girl who is just hot.

I think brains intimidate more than looks. It's a lot easier to talk to a girl who is just hot.

HS: *Why did you decide to pursue porn instead of engineering? Had you always had a calling to become a porn star?*
LS: If you would have asked me five years ago, "Can you see yourself being a porn star?" I would have said you were crazy. It kind of just happened and it was something I pursued because of my lifestyle and relationship at the time.

HS: *Is it true before porn you were a swinger and, if so, were you always comfortable having sex in front of people?*
LS: Yes, I was a swinger and in an open relationship. I was not always comfortable having sex in front of other people, but it definitely happened quite quickly and it's something I really enjoyed.

HS: *Do you still swing?*
LS: No, I do *not* still swing. My sexual exploration in my current relationship involves other girls, which is so much fun.

HS: *You did a movie with 3rd Degree,* My First Orgy 2. *Had you ever participated in an orgy before?*
LS: Yes, I attended several before and have done a couple more since then on film. In my personal life it was something that happened occasionally and always in a party setting with other swinger couples.

HS: *You've done a fair amount of parodies from* Scarface, Charlie's Angels, Bridesmaids, Halloween, *and* The Hogans. *Which movie was your favorite and why?*
LS: I love playing a character and acting. My favorite one, right now, has to be *Bridesmaids*. It was so much fun to shoot and I

related to my character a lot. I'm a bit neurotic myself.

HS: *Why was* Bridesmaids XXX *so much fun?*
LS: Kagney Linn Karter, Sarah Vandella, April O'Neil, and I all know each other really well and are friends off camera, so the friendship just came naturally. Sasha Knox is amazing, she's so much fun and absolutely nailed her character. She fit right in and we just laughed the whole time.

HS: *Which character from all the parodies you've acted in did you enjoy the most?*
LS: Annie in *Bridesmaids*. I am a bit neurotic, anxious, and somewhat awkward at times. She reacts in the movies much the way I think; she just acts it out, which is absolutely great. Even though she is some-

I love women, get turned on by them, and love having sex with them, but I could never be in a relationship with a woman.

what insecure, she has no shame in certain situations, for example, throwing a temper tantrum at Lillian's bridal shower. I made similar, silly decisions in my life for the same reasons.

HS: *Do you enjoy the acting aspect of porn?*
LS: I do very much so. I have become more and more comfortable in front of the camera and learning how to exude certain aspects of a character.

HS: *I heard that you will star in the* Avengers *parody being directed by Axel Braun. What character do you play and what is the film about?*
LS: I play Ms. Marvel. The film is about the start of the "League Of Super Humans," and how we save earth from annihilation by alien invaders.

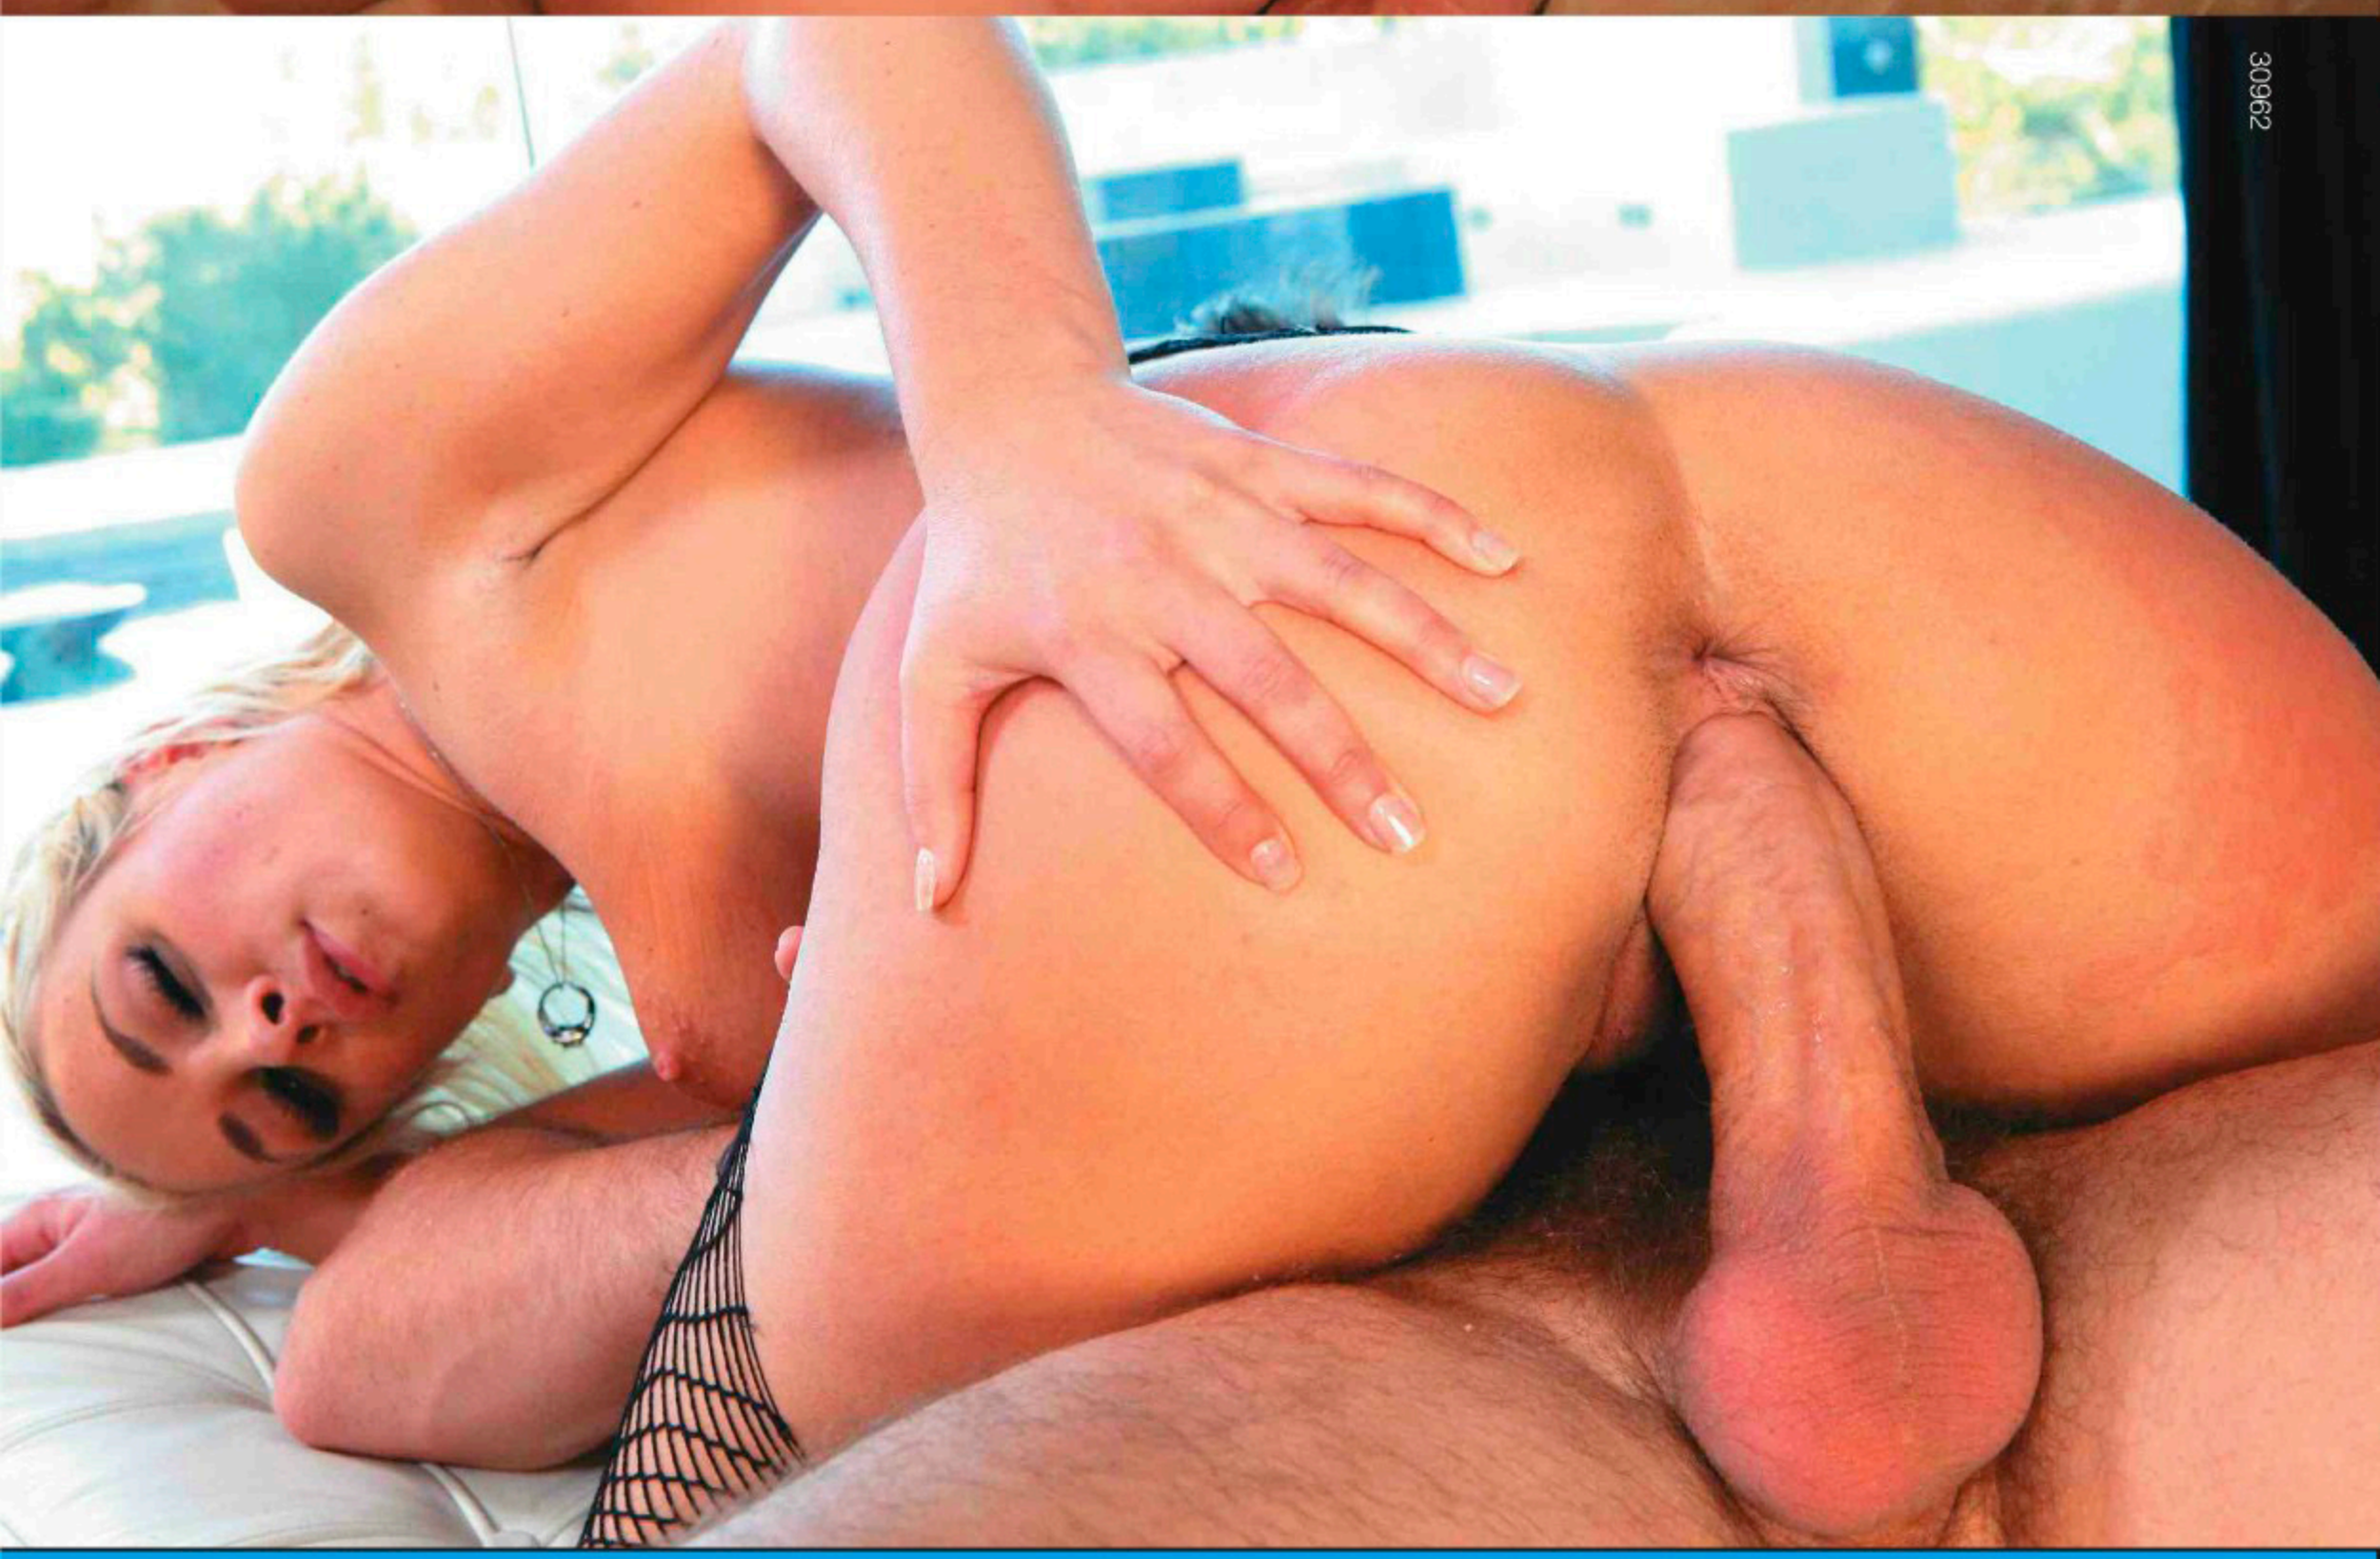
HS: *What's the best and worst thing about being a porn star?*
LS: The best thing is I get to explore and act out all sorts of sexual fantasies. The worst thing is dealing with the judgement of others, who prefer to look down on my profession.

HS: *Where would you rate yourself, looks-wise and body-wise, on a scale of 1 to 10?*
LS: 9.47. Always a work in progress.

HS: *What would you say is your best and worst physical feature and why?*

THE FUCK FACTS

Birthday: June 27, 1986
Hometown: San Diego, CA
Height: 5'4"
Weight: 120 lbs.
Measurements: 32B-26-32
Movies: *Bridesmaids XXX* (Smash Pictures), *Watching You 2* (Digital Playground), *My First Orgy 2* (3rd Degree), *The Official Halloween Parody* (Zero Tolerance), *Avengers XXX* (Vivid)



LS: My best feature is my smile and my boobies. My worst is my butt. It needs some work. [Laughs]

HS: *Are you a very dominant or submissive person?*
LS: With men I tend to be very submissive and with women I'm much more domineering.

HS: *Were you the first or last of your friends to lose their virginity?*

When I suck cock I do a lot of mouth and hand coordination and lots of spit. When licking pussy, I just make out with her pussy.

LS: I was one of the first to lose her virginity. Shocker, huh? [Laughs]

HS: *Do you have anal sex in your films?*
LS: No, I don't do anal on camera. Yes, I do in my private life and we will leave it at that.

HS: *Have you ever done a gangbang on film or in person? Would you like to?*
LS: I have never done a gangbang on film. I just shot my first blowbang for Tim Von Swine. I'm not sure if it's something that I'm comfortable with yet.

HS: *Are you into being DP'ed on film? Would you ever consider it?*
LS: I'm really not interested in getting DP'ed yet, but I never say never.

HS: *Do you like rough sex and if so, why?*
LS: Yes, I do enjoy rough sex because I just love it when a guy takes control, but I enjoy passionate lovemaking. My mood changes what I'm into in the moment.

HS: *Do you masturbate often?*
LS: Yes, normally about once a day.

HS: *Whom or what do you think about when you masturbate?*
LS: Some hot situation I have either been in on-camera or off- recently.

HS: *What are your thoughts on oral sex, both giving and receiving?*
LS: I love oral. I love giving more so than receiving.

HS: *Any special techniques you use when sucking cock and licking pussy?*
LS: When I suck cock I do a lot of mouth and hand coordination and lots of spit. When licking pussy, I just make out with her pussy.

HS: *What sexual fantasies have come true for you since you started working in porn?*
LS: I'm an in-the-moment kind of person and like to feel a lot of intensity, so I would have to say giving an upside down blowjob on Brazzers live was pretty intense. And any orgy situation has been a sexual fan-

30955

tasy situation of mine. There is just so much energy going on, you just don't know what to do next.

HS: *Describe one of the hottest scenes you've ever participated in.*
LS: I would probably have to say a scene I just shot for Elegant Angel with James Deen for their *Big Wet Tits* series. Oil was everywhere, great chemistry, and I just let James do his thing. It was just intense, messy, and good all around. I love shooting for Elegant [Angel] because they just let us do our thing and let the chemistry flow. I was left speechless at the end.

HS: *Which girls in the business would you most like to have sex with and why?*
LS: I'd have to choose Monique Alexander, Tori Black and Sunny Leone—all at the same time.

HS: *Describe your kinkiest, sexual fantasy?*
LS: I love aggressive men and I think being blindfolded and letting a man take full control of me would be my secret fantasy.

HS: *Have you had a one-night stand and can you describe the details of any of those encounters?*
LS: Yes, I have had a one-night stand, a couple actually. It was one of those "in the moment" things, when you're attracted to each other, and you just let it happen; just some amazing moments of passion.

HS: *What size cock do you prefer?*
LS: I'm not a size queen, I just like a nice average guy. It's all about how you fuck, anyway.

HS: *Are you a true bisexual or do prefer one gender more than the other?*
LS: I love women, get turned on by them, and love having sex with them, but I could never be in a relationship with a woman. Based on that, I guess you could say I prefer men.

HS: *Describe your first sexual experience with a woman.*
LS: It was great. She totally took control. We were attracted to each other, but I was so nervous to hook up with a woman for some reason. I let her take control and it was amazing.

HS: *What kind of girl are you attracted to?*
LS: Normal, petite brunettes.

HS: *What is your favorite sex act?*
LS: Kissing and oral.

HS: *What's one sex toy you can't live without?*
LS: My Hitachi Wand.

HS: *Which of your movies are you most proud?*
LS: Bridesmaids XXX.

HS: *What's one superpower you wish you could have?*
LS: I wish I could fly.

I'm an in-the-moment kind of person and like to feel a lot of intensity, so I would have to say giving an upside down blowjob on Brazzers live was pretty intense.

I just shot my first blowbang for Tim Von Swine. I'm not sure if it's something that I'm comfortable with yet.

HS: *Tell me something you've never talked about before in an interview.*
LS: If I could have any talent, I would love to be singer. As a kid, I always dreamed about being a rock star. I love music and learned to play the piano at age five.

HS: *Which movie of yours should our readers look out for next?*
LS: The Avengers XXX.

HS: *What does the future hold for you?*
LS: More sex on camera. [Laughs] I want to do it all, with regard to branding, such as having a toy line, clothing, etc. I will be feature dancing more and more, so stay tuned for that. I have produced the majority of my content for my website, which launched this year, so I want to continue to learn and develop my skills behind the scenes.

HS: *Anything you'd like to say in closing to the* HIGH SOCIETY *readers?*
LS: Thank you so much for all the support from all my fans, and watching me continue to grow in this crazy business!

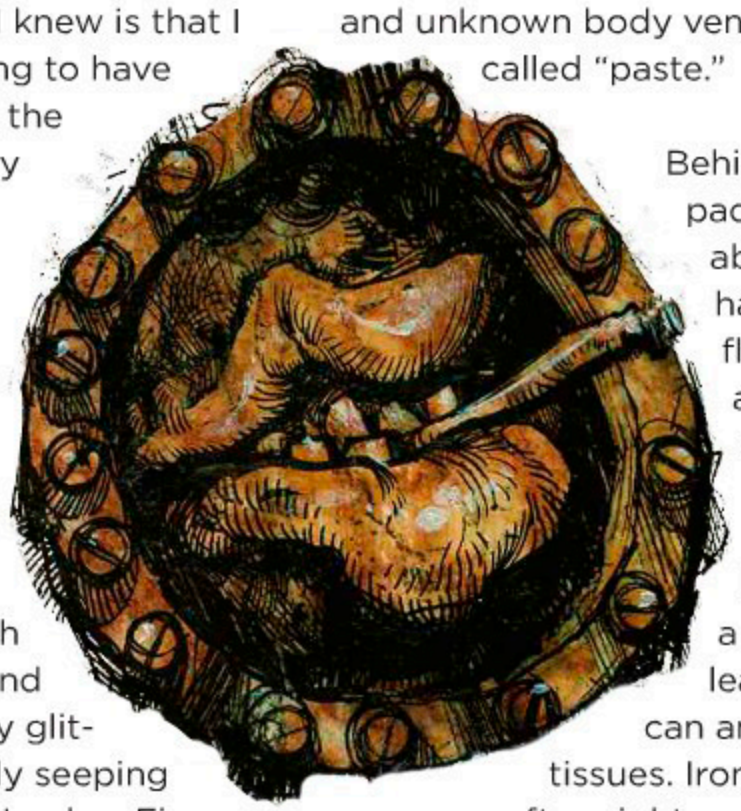
STALKER
THE DERANGED CONFESSIONS OF A SEX SHOP MOP-UP BOY
Story by PETER THOMPSON
Illustration by WAY$HAK

THANK YOU
COME AGAIN
THOMPSON

It looked like some type of salad dressing mixed with mayonnaise, but as it was oozing out from under the door of a porn store beater booth, there was every likelihood it was actually a much more vile type of condiment. What exactly it turned out to be, I never found out—all I knew is that I was the one who was going to have to get down and clean up the toxic fucking masturbatory stew when the customer either finished jerking off or ran out of quarters.

It was a hell of a way to make minimum wage.



Closer observation revealed the substance to be some type of watery genital phlegm tinged with fuzzy yellow nut chunks and what appeared to be body glitter. It was sticky and slowly seeping under the door of booth Number Five, where it leached into two separate streams—one, a yolky slush, the other, a thin greasy line of fluid rolling down the laminate hallway and pooling over a worn section of flooring. It might have been excretory in nature or it might have been spilled Dr. Pepper and pus or any combination of the two. I didn't swab a fucking sample and send it off to Homeland Security for analysis—I just got on my hands and knees, held my breath and scrubbed the shit up as quickly as I could.

Lucky for me, it was impossible to smell much of anything above the heavy scent of enflamed chemical pine that we put down every night—it was a mix of bleach and Simple Green we used as a disinfectant. If not for the migraine-inducing scent of pine, I surely would have vomited a lot more often than I did. As it was, I tossed once a night. And then I had the pleasure of cleaning that up as well.

The toxic testicle sludge deposited in the adult superstore's beater booths by the legions of horny patrons was easily the most common bodily fluid I came across (absolutely no pun intended), but not by any means the only one. As a sex shop mop-up boy, most of the time I spent cleaning was in fact spent scraping, mopping, and disinfecting cummy walls. (There was actually a science to cleaning jizz to prevent the formation of dreaded cum rings.) But if you knew where to look, you could find plenty of used lubricant, tainted sex toys, earwax deposits, phlegm, squirts of pimple pus, spit, sweat, tears and unknown body venoms we simply called "paste."

Behind each black padded door, open about a foot and a half down to the floor and above five and a half feet all the way to the lintel, each beat-off booth (or sex toilet) was fitted with a high-backed faux leather chair, a trashcan and a box of generic tissues. Ironically, the cleanest area was often right around the tissue box. I wouldn't eat off of it, but people seemed to get off as much on leaving the most disgusting mess possible behind almost as much as they got off watching the 200 channels of porn. The trashcans were usually filled with urine (so often so that they were officially called "piss buckets") and teemed with uncapped bloody sharps left by speed freaks, santorum-covered condoms and condom wrappers, colostomy bags, adhesive bandages, hospital discharge papers, and wet naps. I'd found everything in the piss buckets from someone's car keys to cum-filled stuffed animals to an uneaten Lunchables.

Management policy was to never bother a customer when the red light was on, no matter what you saw, heard, or smelled coming from the inside, short of someone screaming for help. Even then, a plea for assistance was left up to our discretion. The red light meant that someone was in there feeding dollar bills into the validator and, most likely, abusing himself in unimaginable ways. Five bucks gave you about seven minutes of self-molestation. In an attempt to drown out the sucking, fucking, and moaning noises coming from inside the booths, the audio on all of the porn screens was left on and set to maximum, making for a lurid din of constant sex noises with nowhere to escape. The painful grunting and slapping sounds made by actual customers engaging in illicit sex between booths made the store sound like patients in an amputee ward sexually attacking patients in a burn ward.

Anything was okay so long as the red light stayed on outside the booth. But once the red light went off, you had about 30 seconds before you went from valued patron of the store to perverted deadbeat criminal, when the security guy on duty would come knocking. Most of the people who frequented the booths knew the store policy and how much time they had before things got ugly and would sooner leave the booth with 10 minutes of credit left remaining than deal with someone from store security.

With its multiple Glory holes and massive ass-shaped opening the size of a watermelon, booth Number Five was consistently the vilest, most objectionable beater booth clean-up job in all of Lizzie's Adult Superstore Supermarket arcade.

It was, not coincidentally, also the most profitable. One day while rooting around behind the counter looking for things to steal, I had stumbled across a binder with the notes from a proprietary study that had been done by store management. Basically, it was the results of a study that had been done finding that per booth revenue shot up from around $75 a day to close to $750 a day when Glory holes were installed between two booths. They were a revenue multiplier and were responsible for nearly half a million dollars a year in revenue for the place. After seeing the kinds of customers who came in and out of Lizzie's, it was a pretty, damn disgusting thing to think about.

At the end of every shift, booth Number Five was so polluted with greasy bodily fluids that it often looked like the aftermath of a sex crime against humanity itself—a battleground of human carnage that had become such a fucking mess it actually could no longer be cleaned, only contained—it was the Fukushima of beater booths.

After seven hours of watching TV on the sales floor, interrupted only a few

THE RED LIGHT MEANT THAT SOMEONE WAS IN THERE FEEDING DOLLAR BILLS INTO THE VALIDATOR AND, MOST LIKELY, ABUSING HIMSELF IN UNIMAGINABLE WAYS. FIVE BUCKS GAVE YOU ABOUT SEVEN MINUTES OF SELF-MOLESTATION.

times a night by the sale of a vibrator or a packet of "bath salt" drugs, someone would come on shift to relieve me and I strapped on my elbow-length, heavy duty neoprene gloves and went to work cleaning up the cumtraps. The tools of the trade were simple: a double-bladed Tungsten carbide paint scraper and a slop bucket with a proprietary mix of Simple Green, bleach, Lysol, and half a cup of rat poison, just in case. We actually were supposed to be provided with breathing masks, but a former employee had decided to take a leak on the stash before he left Lizzie's employ. It was actually a pretty common strategy for dealing with anything at that place. If it bothered you, you pissed on it.

Two rolls of paper towels and a jizz rag at my side, I started the cleanup in Booth One where I found a crusty gym sock that showed signs of having been fucked and then used to wipe an ass. In the chair itself was an empty plastic baggy, the kind used to sell speed.

Speed is the most popular drug in the state of Nevada, and the most popular drug among perverts. In addition to keeping you up for weeks at a time and causing facial sores, meth also makes you incredibly horny and pretty indiscriminant about who or what you have sex with. Sure, society paid a price for meth addiction: the petty thefts and robberies tweakers committed to get money to score, but I paid for the rest of it, namely, cleaning up the aftermath.

The first booth had loads of cumshots on the walls in different states of dampness. Of course, the first thing you do when you open the door and enter a booth is to look up at the ceiling. There were sometimes needles stuck precariously up in the popcorn ceiling like darts. The risk was that in the vibrations created by scrubbing semen off the walls, one of the needles could come back down at any time and stick you with hepatitis or AIDS. Heroin junkies were a rare breed. Heroin tends to make people a lot less horny and instead of tossing their used sharps into the ceiling, junkies seemed to prefer to squirt their blood up at it.

The ceiling showed no sign of drug use, but the floor was greasy with jizz spots and the video monitor was virtually obscured by chowdery nut blasts.

I didn't want this job.
Nobody did.

I had actually done everything possible to sabotage my chances of getting hired at Lizzie's. Sure, I was starving, broke, desperate, and more or less permanently unemployed, but I was happy. Content. I'd wake up, usually late in the afternoon, fix my hangover with a quick belt and the rest of the day belonged to me—my time was my own. But to keep the gravy train moving down the rails of government subsidized unemployment, I had to go on an interview every now and then. Lately, the bitch at the unemployment office was threatening to take away my benefits completely and actually make me pay them back because I was making no attempt to find another job. I hadn't had an interview in six months and the jobs I had applied for recently were Mandarin-speaking software developer and neonatal surgeon—jobs I wasn't qualified to do, the same that could be said, quite honestly, about cleaning up sputum from a booth in an adult video arcade.

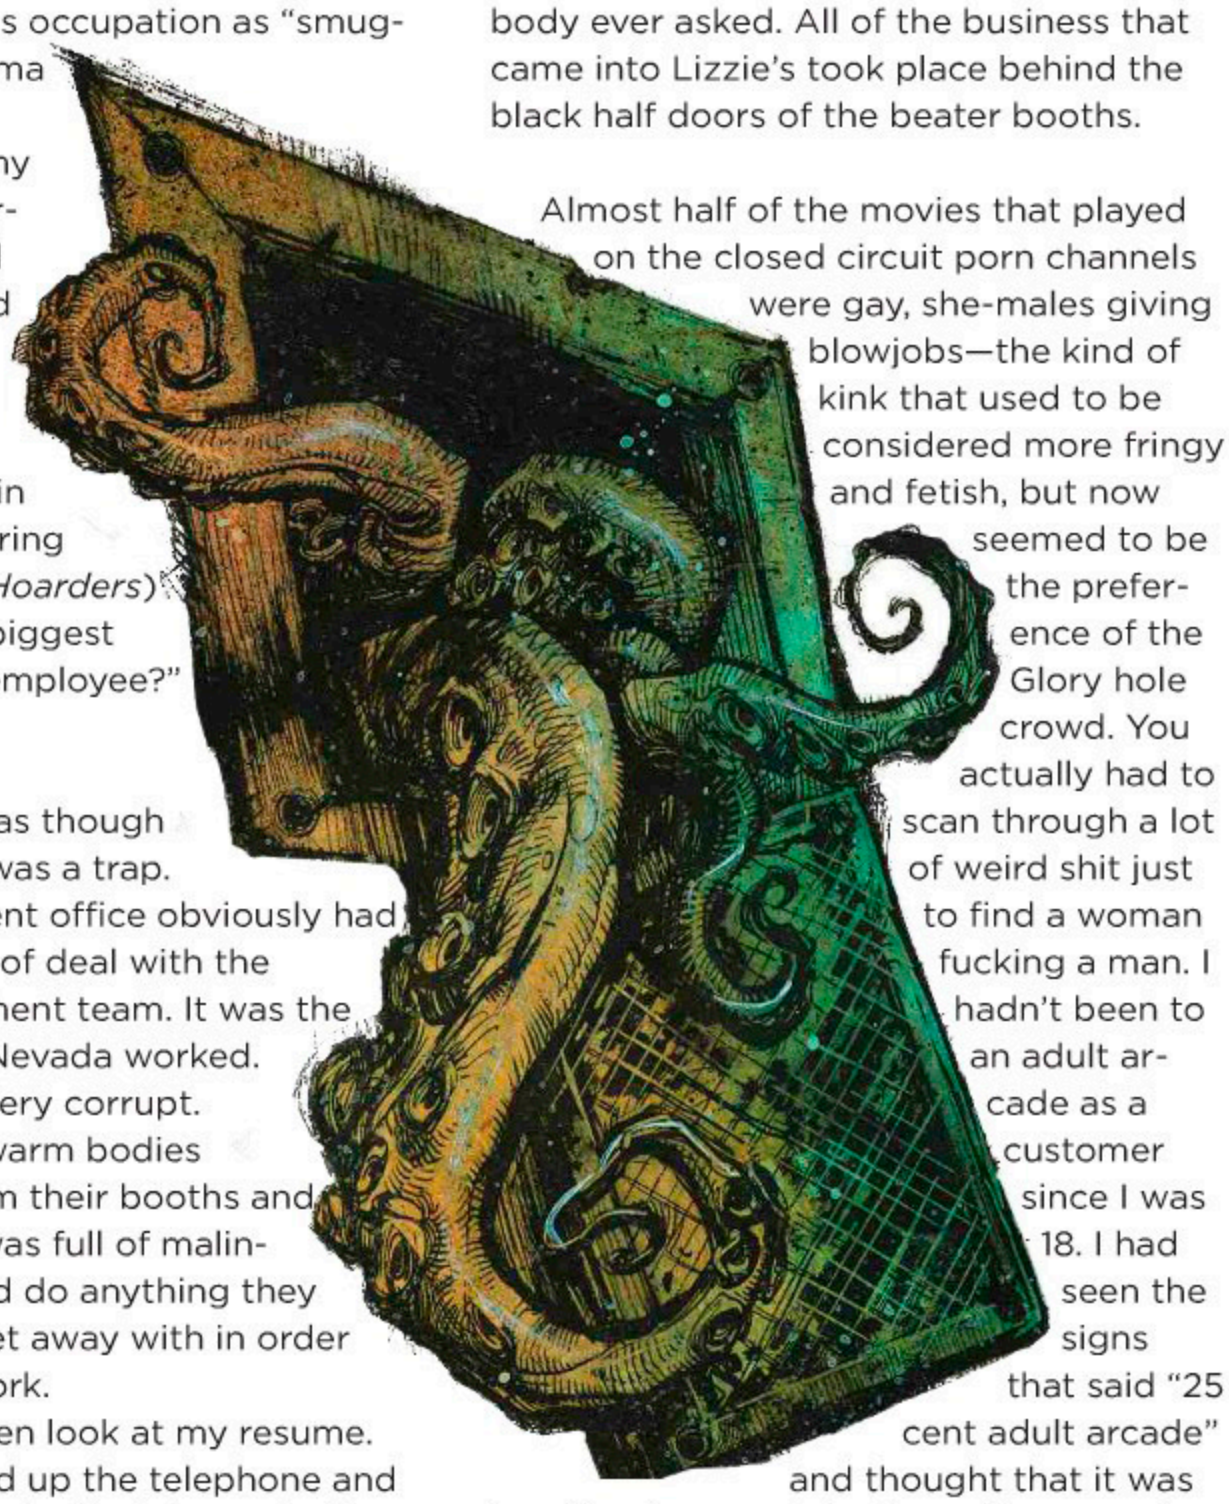
MANAGEMENT POLICY WAS TO NEVER BOTHER A CUSTOMER WHEN THE RED LIGHT WAS ON, NO MATTER WHAT YOU SAW, HEARD, OR SMELLED COMING FROM THE INSIDE, SHORT OF SOMEONE SCREAMING FOR HELP. EVEN THEN, A PLEA FOR ASSISTANCE WAS LEFT UP TO OUR DISCRETION.

Lizzies's Adult Supermarket Superstore was a small, boxy, poorly built frame structure that sat in the middle of a huge, stadium-like parking lot just a few blocks from the freeway. It was painted brown and reddish with a large U.S. flag flying outside. The windows had long ago been covered over with boards. There was a large pink sign hanging from an aerial that reached above the overpass so it was visible to interstate traffic. Like everything else in Nevada, it was open 24 hours a day. Lizzie's was part of a national sex store chain that "prided" itself in giving the customer a clean, well-lit porn experience, claiming, among other boasts, to have the world's largest selection of environmentally-friendly butt plugs. They also had the world's largest employee turnover rate. In the few weeks I was an employee, I never saw the same person twice, aside from the store manager, a barrel-shaped dyke named Patty, the woman who conducted my interview.

They had advertised that they were looking for a sales associate, someone comfortable around adult-themed merchandise who was equally okay with "occasional" janitorial duties. In order to keep my unemployment checks coming in, I had to impress them enough to get an interview. But once that was secured, I had to project an aura of such utter incompetence that there was no way I would be mistaken for a competent, responsible adult and actually hired. Most of the sales staff at Lizzie's were women—at least during daylight hours. The stereotypical leering creeps worked graveyard. There was a security guard on duty at all times.

I arrived 45 minutes late for my interview. I wore a

pair of jean shorts and a black turtleneck and carried a sandwich with me that I planned to eat while being interviewed. My resume was foolproof: there were several three-year gaps in employment. I listed my previous occupation as "smuggler." I listed Osama bin Laden and Michael Vick as my professional references. I expected and had prepared for typical interview questions like, "Where do you see yourself in five years?" (Starring on the TV show *Hoarders*) or "What's your biggest weakness as an employee?" (I like to steal).



But it seemed as though the whole thing was a trap. The unemployment office obviously had made some kind of deal with the Lizzie's management team. It was the way business in Nevada worked. Everything was very corrupt. Lizzie's needed warm bodies to clean cum from their booths and unemployment was full of malingerers who would do anything they could possibly get away with in order to not have to work.

Patty didn't even look at my resume. She simply picked up the telephone and called her friend, the bitch I was dealing with at the unemployment office.

I looked around at all the fluorescent sex toys on the sales floor. I could smell the set-up. I could also smell the strange, harsh scent of pine coming from the back of the store.

The sales floor was cluttered like a suburban garage with sex toys and DVDs and adult novelties, but it was the beater booths and the illicit sexual contact they provided the public with that actually paid the mortgage along with everybody's salary. It made sense when you thought about it: Porn was everywhere. Any idiot could find more fucking porn than he could possibly look at in a lifetime for free on any computer with an Internet connection. And most respectable women would sooner order a vibrator discreetly and anonymously online through the mail than risk the embarrassment of being seen test-driving a pussy pleaser in public. Sure, we'd gladly put batteries in any of the sex toys for sale so a customer could see what they were purchasing, but nobody ever asked. All of the business that came into Lizzie's took place behind the black half doors of the beater booths.

Almost half of the movies that played on the closed circuit porn channels were gay, she-males giving blowjobs—the kind of kink that used to be considered more fringy and fetish, but now seemed to be the preference of the Glory hole crowd. You actually had to scan through a lot of weird shit just to find a woman fucking a man. I hadn't been to an adult arcade as a customer since I was 18. I had seen the signs that said "25 cent adult arcade" and thought that it was just like the arcade in the mall except the games were dirty—like Ms. Pac-Man ate ghost monster jizz or the Galaga spaceship was a giant milk-squirting tit.

In my keeping with tradition, I was half an hour late for my first shift at Lizzie's. I got about 15 minutes in until the store had its first casualty. Theresa, a plain mid-thirtyish sales associate with short, curly hair, quit. She was supposed to train me. She said she was going out for a cigarette and just walked outside, got in her car, and peeled out of the parking lot, never to return. The security guard had seen it all happen while he was outside screwing around himself.

People seemed as though they got to a certain point in their lives where making minimum wage at a scummy adult superstore began to affect their lives in a negative way. It was turn and burn at Lizzie's.

I was given a black polo shirt with the Lizzie's logo on the lapel. Suddenly, I was in charge.

We were told to familiarize ourselves with the sex toys so we could intelligently answer any of the customers' questions. We were expected to say things like,"German-made medical grade silicone is the gold standard for dildos." But nobody ever asked any normal questions about anything, except if I had change for the video booths. We had a machine.

A man came in once and asked an inordinate amount of questions about a novelty product called Sammy Schlong the Singing Dong. He reminded me of a cop, as though Sammy Schlong was a suspect in a murder case. He had similar questions about the Electric Paddle, a tennis-racket-like paddle that delivered a quick electric jolt to asses and other body parts when slapped against it.

We were also instructed to try to upsell tubes of vibe cleaner with every purchase, to warn customers about the unchecked growth of bacteria on their sex toys. Most people said they just put their dildos in with the silverware in the dishwasher.

Not once was I asked, "Which buttplug do you recommend?" I figured, you're just going to stick it up your asshole anyway, you might as well just get the cheapest.

We had a "Clearance Section" that contained such hot sellers as a series of homeless erotica on VHS. The cover showed a disheveled bum banging a rough-looking bitch outdoors on a mattress of trash. One scene apparently involved a bum's shopping cart.

The register was in the elevated booth. There was a crock board that was decorated with Polaroid pictures of porn girls who had come into the shop to sign replicas of their genitals. Mostly in the late-1990s, nobody bothered any more.

ANYTHING WAS OKAY SO LONG AS THE RED LIGHT STAYED ON OUTSIDE THE BOOTH. BUT ONCE THE RED LIGHT WENT OFF, YOU HAD ABOUT 30 SECONDS BEFORE YOU WENT FROM VALUED PATRON OF THE STORE TO PERVERTED DEADBEAT CRIMINAL.

There were signs all over the store warning customers not to have sex. One was in Spanish.

Some guys, either too cheap or too embarrassed to beat off in a booth, sat outside in their cars jacking off and trying to pick up dates.

There was a suggestion box. I suggested that it'd be easier if we just installed a drain in the floor of every beater booth so I could stand there with a high-pressure hose and blast the smegma off the walls.

A typical jizz clean out run usually took about an hour—half an hour if you half-assed it. The longest I could handle was ten minutes. I went outside and dumped the bucket of human misery. When I came back inside, the new guy, Paco, was arguing with a woman standing at the counter. "I told you that I want to return this fucking buttplug," she growled.

The security guard came in from his two-hour break. He came over and nudged me. "That's Pussymouth," he said, nodding to the woman. I recognized the moniker, but I had figured Pussymouth was just another dude. Pussymouth was a regular on Wednesday nights, and just the promise of Pussymouth's presence alone would bring in about 20 guys. It was a rare treat to see an actual female in the store, let alone in one of the whack-off booths. This woman was a legend. After Paco broke down and gave her store credit for the used buttplug, she walked into the back booths and didn't come out until my shift was almost over. She must've sucked and fucked 50 dudes in one night. She must've left the store with at least $100.

The next morning, I was relieved by Reji, a Sri Lankan immigrant redneck with an intense southern drawl who had taken a day off to have the alien implanted chip removed from his ear. He had been working at Lizzie's longer than anybody else, almost two years. "I sold a fisting mitten to a guy who looked like the mayor," he told me.

Pussymouth had been working in booth Number Three. Overnight, she had managed to turn it into a genuine Superfund site. Every type of bodily fluid was represented: Blood, pus, semen, saliva. I thought I saw a piece of bone in the corner. She had absolutely wrecked the booth. I could smell feces above the pine threshold even before I opened the door. The floor looked as though a fecal pipeline had broken. I got scared. Instead of cleaning it up, we'd have been better off treating it like Chernobyl—dropping cement on it to contain its spread and evactuating everybody who lived within 20 miles of the damn thing.

"It's pretty nasty, yeah?" said Reji.

"Call the governor and request aid," I said.

Reji started cracking up. "This guy is fucking Tyler Perry over there," he said, pointing at me to nobody.

Raylene and Charles were well known throughout the local porn community. Ray was actually a forty-something gray-haired woman with giant implants. She wore black tights and tight sweaters. As far as I know she had a vagina. They came on Friday nights. Charles got off on watching his wife suck strangers' cocks. It sounded like some fake letter to a porn mag. Somebody's fucked-up fantasy that was more wishful thinking than true. He came up to my elevated station that overlooked the porn emporium and rooted through the irregular dildo box. He picked up a purple toy and brought it up to the cash register. "Alex said he hired a new guy," he said. The man reached into his coat and pulled out a tiny metal case full of business cards. He handed me one. He owned a business that specialized in convenience store marketing or something. The back of the card had the name and room number of the city's cheapest casino written in pencil. "It's Ray's 45th birthday," he explained. To honor her, they were going around inviting guys to come bang her. "She'll be in the room. All you have to do is come by the blackjack tables and I'll give you the room key. You go up and do whatever the hell you want to her. She's thrilled about the idea. She won't know who you are or what you're doing to her. She likes toys up her butt. Not dildos. Toys—like SpongeBob. Bring a toy and stick it up her butt."

I worked at Lizzie's for almost three weeks until I got my first paycheck, a grand total of $6.13. Something was really fucking wrong. On top of that, the fucking thing bounced.

AT THE END OF EVERY SHIFT, BOOTH NUMBER FIVE WAS SO POLLUTED WITH GREASY BODILY FLUIDS THAT IT OFTEN LOOKED LIKE THE AFTERMATH OF A SEX CRIME AGAINST HUMANITY ITSELF— A BATTLEGROUND OF HUMAN CARNAGE THAT HAD BECOME SUCH A FUCKING MESS IT ACTUALLY COULD NO LONGER BE CLEANED, ONLY CONTAINED.

They had put a stop payment on my check. I called them trying to figure out what had happened. I finally got in touch with the manager that night. She said I had incorrectly filled out the paperwork when I started and had never officially been hired. I had gotten credit for one hour of work. The bastards owed me for almost 100 hours, at least. I thought of all the jizz I had cleaned, all the toxins I had undoubtedly inhaled.

"Trust me," she said. "You're getting off cheap."

I called unemployment. I had been approved for another 14 weeks. This shit was so wrong. I hung up the phone and went to sleep. I had a nightmare about spilling a bucket of toxic waste on my lap.

At least, I hope it was a dream.

RUBBER CZECH

At 5'9", **Eufrat's** exotic good looks and sexy Czech accent make her the perfect Cold War-era spy fucker—the ideal woman for an enemy government agency to send to an embassy party in Prague to seduce a diplomat and pump him or her for cum and secrets. The blue-eyed beauty spreads her open-crotched panties and pushes a blue dildo deep into the wet folds of her pretty pink pussy. She squeezes one of her flawless natural titties, pinching her boob tip and gasping for a breathy sigh. Her tight asshole squeezes to accommodate the insertion of her fake prick. She is slow and very deliberate with the faux fuckstick. She is very calculated as she cums, not once but two times in a row. Eufrat would have been a natural double agent.

FUCK FOUR ALL

30991

It's girls' night out for **Cindy Love**, **Dominika**, **Peaches**, and **Ann**—but when you look this hot and you're this horny, it's actually a lot easier and much more fun just to stay in and fuck the hell out of each other. As the dildos come out, the clothes come off and the pussy-eating gets nasty as tongues stray from twat to twat, from asshole to asshole and back to mouth on mouth. No hole is left quivering. The girls are very thorough. Every girl has at least one orgasm before anybody cums twice. They gang up on each other, grinding pussy against pussy and sucking clit until they all pile on top of each other in a sweaty mess, their juices mingling to make a delicious brew.
